

Post Date Questionnaire

These are some general questions to ask yourself while dating.

- What was your first impression at the beginning of the date?
- Did that impression change as you spent time together?
- What were your thoughts when the date ended?
- Were there any actions by the other person that stuck out to you?
- Were there any conversations that stuck out to you?
- Is there anything from your conversations that you'd like to clarify?
- Did you find the other person and the conversation interesting?
- Are you looking forward to another date?
- How did you find the other person's Middot?
- Do you feel comfortable in the other person's company?
- Are you comfortable with the other person's appearance?
- Do you feel like your values align with the other person's?
- Do you respect the other person?
